

DELIVER A WINNING PRESENTATION

Create and deliver a presentation which connects with your audience

COURSE OVERVIEW

Are you confident that your presentation skills will have the anticipated impact on your audience? Or is the thought of standing in front of a group of people enough to make you quake at the knees?

Presenting information clearly and effectively is a key skill required in almost every job. Everyone can learn the skills and techniques they need to increase their level of confidence and performance when presenting.

This eMatrix course will give you the skills and confidence you need to deliver a message which connects with your audience. You'll be more persuasive and confident when giving presentations, and you'll improve your one-on-one dealings with others.

LEARNING OUTCOMES

- Create and deliver a presentation using the 4P's: Plan, Prepare, Practice and Present
- Learn ways to overcome stage fright and connect with your audience
- Understand the impact of visual aids, voice and body language
- Consider your content and its relevance to the audience
